

**Minutes/Agenda****April 2015**

No Board Meeting Quarterly Business Meeting, Tue., 4/21/15, 7:00 pm	VFHS - Room 101
--	-----------------

**President's Report - Linda Reik-Brown '65**

As a reminder, we have established a working office at the Parkview Elementary building which holds a second set of yearbooks. However it is no more secure than our previous location so we will move back to VF this summer. The ticket booth area is being used for storage for the After Prom Committee; we will be switching spaces with them this summer. This will give us an easy vantage point to interact with students and a place to sell VFAA merchandise.

There was no January meeting held due to the weather and the April board meeting was dispensed with due to lack of business to discuss. Deb Greytak has resigned as Vice President of the VFAA.

Linda will send out an email notice of updates made to the website.

**Vice President Report – NEEDED****Treasurer's Report - Cathy Solomon '73**

Cathy provided a written report of finances which are included as part of these minutes

**Secretary – Stacy Brown-Grice '93****Historian – Mary Lou Chappell-Hentges '65****Reunion Coordinator – NEEDED**

This is the year all classes ending in a 5 or 0 could be having their class reunions! Here is what we have so far. Only three classes not accounted for!

1965	50th Golden Reunion July 10, 11, 12, 2015	1990	25th Reunion August 7, 2015
1970	45th Reunion—???	1995	20th Reunion
1975	40th Reunion Sep 19, 2015	2000	15th Reunion—???
1980	35th Reunion—???	2005	10th Reunion—Being planned
1985	30th Reunion—Being planned		

**Scholarship Report - Alan Rudolph '88**

No report yet on scholarship winners for this year. We have established the Freedom and Liberty scholarships from the association which Alan administers. We will consider establishing another scholarship for classes to use specifically when they have reunions and possibly have a second Scholarship Chairman for this position. The class of 1973 is donating \$750.00 to the association to just be put in the general fund which, in essence, will cover the cost of one of our scholarships this year. This is an alternative method of handling additional scholarship money.

**Webmaster - NEEDED****Public Relations/Fundraising – Kathy McCann-Dreher '65****Database Chairman - Halle Dawson '89****Hall of Fame - Bob Baisch '65**

The refurbishing of the Hall of Fame display is almost complete. New photos have been reprinted to replace those that were faded and of the size to fit the new frames.

**Nominating Committee - NEEDED****Membership Committee - Terry Wandt '63**

Nancy Fedak will coordinate a meeting with VFAA staff, class of 2015 officers, class advisors, Terry Wandt and Linda Brown sometime soon in order to set the precedent for procedures of membership.

***Old Business***

1. 55<sup>th</sup> School Anniversary in 2016 – This idea was discussed as a possible event in October 2016 and possibly to be held every five years. The thought is for this to be an Open House type day on a Saturday where the building can be open for tours to all alumni and incorporate other events into a special time. Have similar program like our 50<sup>th</sup> anniversary celebration in 2011. Now that the Planetarium has been fixed, it can also be part of this event. Possibly make it a scholarship fundraiser too.
2. 2015 Scholarship Golf Outing –tabled for now

***New Business***

1. It was suggested and agreed that we hold our July meeting at Nike Park again and have a potluck picnic as well. Terry will find out how we can reserve the pavilion. Linda will put notices on Facebook and the website as soon as the pavilion is secured. An alternative location would be Snow Road Metropark Pavilion.

Meeting adjourned at 8:30 pm
