At the last meeting... by Halle (Magpoc) Dawson '89

July's meeting took place at the Ground Round in Parma. We had the biggest turnout ever! Those present were: Lydia (Grafinger) Bozeman '64, Linda (Weiler) Thompson '64, Carol Crowe '65, Russ Fisher '70, Catherine (Anelli) Solomon '73, Alan Rudolph '88, Halle (Magpoc) Dawson '89, Brenna (Smith) Grimm '89, Missy Schabel '89, Scott Stitt '91, Thomas Hanchuk '92, Jessica Henry '92, Janet (McGee) Messinger '92, and Christy (Sattler) Chapple '92. We were very excited to meet the author of VF's alma mater, Lydia Bozeman. Once again, we discussed many new ways to get the alumni association more noticed. Decisions were made about the Hall of Fame Committee, new ideas for the newsletter and a T-shirt fundraiser. We also discussed benefits for being a member of the alumni association. We also decided to enlist help from Frank Petersen '88 about getting a website together. We will try to work on this over the next year. After the meeting, a few of us stuck around to help the Class of '92 plan their upcoming reunion.

Alumnus in the Spotlight:

Lydia (Grafinger) Bozeman '64

by Halle (Magpoc) Dawson '89

Picture this - It's 1961 and you are a sophomore at a brand new state-of-art high school. What would you be doing? Hanging out with friends? Riding your bike around the neighborhood? Not Lydia Grafinger. She accepted her favorite English teacher, Mr. Dunford's challenge and entered a contest to write the Alma Mater. What did she win? Absolutely nothing - except the recognition of over 36,000 graduates of Valley Forge.

Lydia never dreamed that her words would ever be chosen. She remembers that one day, Mr. Dunford walked into the room and played the song, "How Can I Leave Thee" and told the class to write the words. She spend about two weeks coming up the exact words. She wrote it, revised it, shared it with her parents, revised it again and then finally it was finished. Lydia can't remember the exact moment when she got called out of class and was told her words won, but she does recall the feeling of excitement and joy.

On behalf of all the Valley Forge graduates, I want to thank you, Lydia, for your creative words that will always live at Valley Forge.

VF Hall of Fame Induction - Postponed But Not Forgotten

by Brenna (Smith) Grimm '89

Many of you may remember flyers in previous newsletters asking for nominations of deserving VF Alumni to be inducted into the VF Hall of Fame. Some of you may have even sent in nominations. Over the last two years, several factors have prevented the VF Alumni Association from being able to fairly evaluate and choose the next inductees. We are finally ready to put the plans in place for the next VF Hall of Fame Induction which we have tentatively scheduled for the fall of 2003. In order to make the process as smooth and fair as possible, we will be creating a scoring system to evaluate the nominations and narrow down the candidates. The qualifications of the remaining candidates will be presented to the VF Alumni Association and a vote will determine which candidate(s) will take part in the next VF Hall of Fame Induction Ceremony. Letters will be sent to those who have previously made a nomination requesting information to be resubmitted in a standard format. New nominations will also be accepted. Look for nomination forms and more complete details in the next newsletter.
