## From The President

As usual, the beautiful summer months are flying by WAY too quick. I think everyone will agree it has been a particularly lovely summer in Cleveland this year so far!

Congratulations to Alexander Lubera from the Class of '07 who was our Freedom Scholarship winner this year. See Alan's article on page two about this wonderful representative of the Patriots. And Alexander's father, Kenneth, is a VF graduate from 1986!

There are a lot of events coming up and lots of ways to get involved in the association. Our Wetlands Project continues to expand; be sure to take a peek if you are ever in the building.

The Parma Hts Weekend in the Commons will be the first weekend in August. We will be there on Sunday with our booth and Patriot Hoop Toss.

The community carnival will be at Greenbriar again this year on September 9th. It was really awesome last year and we look forward to being part of it again.

And so the project continues. Major digging went on in May and there have been great strides ever since. We wish to publicly thank Marco's Pizza, PJay's Pizza and Marc's Inc. for donating pizza and drinks for our hard workers!

Last but not least is our fundraiser. We have just started planning it so just be aware it is coming this winter. I think it will be an awesome event to continue year after year. It's commmmmmiiiiinnnnnggggg!

Love, Luck & Laughter!

## Is There or Isn't There? We've got an answer!

The debate has gone on for years at this point about time capsules various classes have burned and we are starting to get answers! While browsing a yearbook from 1994, we came across a picture and article about the time capsule they buried!! It is a picture of Jeffrey Henrikson, Justin Josie and Mike Brunst. It doesn't say where it is buried, but the picture looks like the large courtyard. Our digging the wetlands project has not turned up anything unusual so far so we can only assume it is still there! We will be contacting them.

# VF Alumni Association Freedom Scholarship \$750

By Alan Rudolph '89

## **2007 Recipient: Alexander Scott Lubera**

For the 2006-2007 school year, the Valley Forge Alumni Association elected Alexander Lubera as their recipient of the Freedom Scholarship. As with all previous recipients, Alexander carried an excellent academic record for all four years of high school and was a member of both National Honor Society and Renaissance. He maintained his 3.8 GPA while balancing a demanding schedule of employment, sports, extra-curricular activities, and volunteer work.

Alexander was involved in cross-country, swimming, tennis, and ski club, but also engaged his artistic talents through piano lessons and Art Ambassadors. Alexander is an accomplished artist and is proficient in French. He intends to combine his passions in his choice of collegiate studies by undertaking a double major of fashion design and international studies. Alexander will attend Kent State University.

Alexander's proud parents are Kenneth and Sara Lubera. Kenneth is also a graduate of Valley Forge, Class of 1986.

For the first time ever, this year our recipient was the person that submitted what the association collectively considered to be the highest-rated essay. Because of the complex evaluation and selection process established by the council (described below), that may not always be the case, but it was this year! You can read Alexander's essay attached. More about the required essay is provided below.

### *Parma Council of PTAs Scholarship Program and Selection Process*

The Parma Council of PTAs scholarship program is the largest in the state of Ohio. Scholarships are awarded by the Ohio PTA, the Parma Council itself, the Parma City School District, the Parma Education Association, and the PTAs and school-affiliated organizations of each senior high school, middle school, and elementary school in the district. There are also many scholarships and grants awarded by numerous community organizations.

Accordingly, the scholarship selection process is quite complex. Every applicant for each organization's scholarship(s) must be evaluated objectively by each organization according to several merits using a rating system established by the Council, including class rank and GPA, employment history, in-school and out-of-school activities, school service, non-school service, awards. Each applicant is also evaluated more subjectively on the basis of a writing sample. Each organization may also have additional requirements that must be met and which are explained as a part of the appli-

ation process.

When all applicants have been evaluated for all scholarships which an organization may offer, the rankings are provided to the Council selection process. The Council's process evaluates all the many candidates for all the various scholarships according to an overall rating and selection system, and works to ensure an appropriate distribution of scholarships.

When that process is complete, each organization is informed of who the recipients are for each of their scholarships. Recipients are then notified during Winner's Circle, an annual event held at each high school on a single day in late April. The scholarships are then presented to the recipients at the annual scholarship dinner in mid-May.

### *Valley Forge Alumni Association Freedom Scholarship*

In the case of the Valley Forge Alumni Association Freedom scholarship, we also require each applicant to submit an essay describing why they are proud to be a Valley Forge graduate. That component must be submitted to qualify, and receives a heavy weighting score as part of the overall evaluation process.

The objective score for each qualifying applicant is tabulated by the chair of the scholarship program. The writing sample is also scored using a simple three-point system according to whether the sample is complete and included (one point), well-written (additional point), and whether it answers the assigned objective (third point).

The rating of the essays is an open evaluation process in which all alumni may participate. Essays are posted electronically via the association website and a simple rank-voting process is used to allow all members a chance to assign prioritized votes to the essays they rate most highly. This process allows members to assign a votes to multiple essays, rather than having to choose a single "best" essay. All submitted votes are tabulated by the chair and added to the overall evaluation of each applicant.

Through the generosity of our members, the amount of the scholarship was this year raised to \$750 for the first time, from the \$500 level where it had been for the past several years.

### *The Parma Council of PTAs Annual Scholarship Dinner*

The annual dinner is held each year on the third Wednesday of May. This year the dinner was at St. Paul Hellenic Banquet Center in North Royalton. Over 130 scholarships totaling nearly \$110,000 were awarded during the three hour event. As usual, it was an evening of immense pride on the part of the students, parents, teachers, and organization staffs in the achievements of all of the truly fine students that have grown into marvelous young adults with very individual, interesting, and bright futures.
